UQESH specialises in high-quality, slip-resistant, and hygienic poly-cement flooring systems – a long-lasting solution that truly stands the test of time. Our systems are independently certified by Intertek for compliance with HACCP and GMP hygiene standards. Our systems are trusted by WA Local food businesses, like Yuan's Fresh Meat, Sunlong Fresh Foods, Sushi Master, Prime Catering, Juicy Bao Bao, Dim Sum Palace and more. Whether for food prep areas, commercial kitchens or processing facilities, UQESH delivers flooring built for performance, safety, and hygiene.
